DEAR CUSTOMER:

Please order from this monthly catalog supplement as it gives an accurate listing of varieties now available. The wholesale catalog lists all varieties we attempt to grow, but often we are sold out of a number of them as the demand is greater than we anticipate.

This March catalog can be used as an order blank. Encircle the price and place the quantity desired after it. We will send you another immediately upon receipt of your order.

DELIVERY Free delivery in the Los Angeles Metropolitan area, San Bernardino, Riverside, San Diego and Santa Barbara. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

NON-WARRANTY The Monrovia Nursery Company will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than that paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

TERMS While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate.
